### Are you pressing forward by your own strength or by His Spirit?

Greetings to you all in the matchless name of our lord and savior Jesus Christ. Month of June we are celebrating ecological Sunday, Pentecost Sunday and Trinity Sunday. So, this month is very important for us. In the bible when Nicodemus came to Jesus by night (John 3:1-11), the Lord revealed an important secret to him: "the wind blows where it wishes, and you hear the sound of it, but cannot tell where it comes from and where it goes. So is everyone who is born of the Spirit." (John 3:8)

As you know, there are two main types of boats: motorboats and sailboats. Motorboats have to rely on their own energy. They are generally loud and harmful to the environment. Sailboats, however, rely on the breath of the wind to move forward.

As a child of God, you are like a sailboat...you need to "catch the wind," the wind of the Spirit! You have to let it push you in order to move forward.

You have a choice: you can count on your own strength and wisdom, or you can rely on the Spirit of God. Just between us, relying on the Spirit of God is much better.

It is possible to do everything through Him. Jesus said, "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth." (Acts 1:8)

Believe this with all of your heart...you can do all things through Christ who strengthens you! Be blessed!
