Motto of the Year: Year of Spirituality

*"The fear of the Lord leads to life; and he who  
has it rests satisfied; he will not be visited by  
harm"*

*- Proverb 19:23*

## Some Biblical Facts

- According to most sources, the Bible has 66 Books, 1,189 chapters, 31,102 verses, 773,693 words, and 3,566,480 letters.
- It was written on three different continents, over a period of about 1,800 years, by many different men from all walks of life.
- Its longest chapter is Psalm 119, which consists of 176 verses. The number "176" just happens to be 16x11. The KJV was first published in the year 1611. *An accident, I guess.*
- Psalm 117 is the shortest chapter.
- Esther 8:9 is the longest verse, while John 11:35 is the shortest.
- The longest word in the Bible is "Mahershalalhashbaz" (Isa. 8:1).
- The middle verse is Psalm 118:8, and "the LORD" are the two middle words in that verse. *Another accident.*
- The main subjects of the Bible are God's revelation of His character, His eternal righteous kingdom, and His plan of redemption through Jesus Christ.
- The average person can read the Bible through in about seventy hours reading time. Reading three chapters per day and five on Sundays, you can read your Bible through in one year. About fourteen chapters per day will take you through in three months.
- The Bible was the first Book ever printed on a press. The first one was printed on the Gutenberg press in the 1450's. The first American printing was in an Indian language in 1663

### What's Inside Your Heart?

Greetings to you all in the matchless name of our Lord and Savior Jesus Christ. How do we size up other people? What do we do to get ahead in this world? Many times, we judge by the way we dress, talk, carry ourselves. Do we have the right accent? Did we come from an exclusive school? People look at the model of our cellphone, the brand on our bags and T-shirts. Is it a designer label? Is the real thing or imitation? They check out the kind of car we drive and where we park it for the night in an exclusive neighborhood, in a classy condominium?

We live in a world of sham and show, sell and tell. Keeping up can be tiresome, time-consuming and expensive. And what we project can be far from what we really are inside. Maybe that is why Jesus Christ, the Son of God, came into our world without fanfare and in such humble circumstances. He shared his nursery with goats, sheep and donkeys. He grew up in a tiny town called Nazareth, definitely the wrong address to choose in Israel. One apostle was quoted as saying, "Can anything good come out of Nazareth?" His disciples were uneducated fishermen with rough, calloused hands.

Christ's true Kingdom is glorious, beyond anything we can imagine. But perhaps he came so humbly to show the world what it had become: boastful, shallow, materialistic, hypocritical.

He also came to give us the real thing true wealth, prestige, power and influence as children of the living God. What we really are will only be revealed when He comes again.

When Jesus returns as King of Kings to Israel, he won't judge us by how high up in our career we managed to get, how famous or popular we have become, or how we multiplied our money into millions. He is going to check out if we truly loved God and one another. So let's focus our lives on that. Let's not waste time looking good on the outside, buying things for show, winning the applause of men.

As the Lord says in 1 Samuel 16:7, "The Lord does not look at the things people look at. People look at the outward appearance, but the Lord looks at the heart."

Be blest with a heart that is faithful and full of God's love!

Yours loving,

Prince achen
